## Overview

For a reception, cocktail party or hospitality suite, any time that a formal show is out of place, you'll want to consider Ron's *Mingle Magic*. It goes to your guests. It's magic that is up-close and personal with small props right in the hands of your guests.

You and your guests will witness amazing sleight-of-hand, intriguing stories and Ron's charm and unique wit, elements that combine to leave a big impression on you and your clients or guests.

Ron will circulate around the room, mixing and mingling with your guests, table to table or social circles that have formed. He'll get your guests to interact with him, and of course, each other. You'll be the hit of the party for having made the booking. Suitable for events of all kinds, all sizes and all ages.

The magic is flexible and dynamic, changing with the ebb and flow of the event and the mood and taste of your guests.

At a banquet event, *Mingle Magic* can be added as an "appetizer" to a formal after-dinner show.
